STATUTORY DISCLAIMER: This compliance report was generated algorithmically by the Food Label Compliance Verification Platform using computer vision and rule-based parsing. It is provided for advisory, screening, and guidance purposes only. This report DOES NOT constitute an official certification, endorsement, or approval by the Food Safety and Standards Authority of India (FSSAI) or any government agency. OCR can miss declarations; missing text therefore requires review of the original label. Definite compliance requires qualified statutory review under applicable law.
